

To Whom It May Concern:

It is with the utmost confidence that I recommend Bryan Wallace for the Technical Director of Coaching position within United Football Club. I have had a professional relationship with Bryan spanning the last 15 years. Bryan is an outstanding individual – His work within youth soccer has had a significant and lasting impact on the players, parents, and administrator he has come in contact with.

Bryan possesses a level of professionalism that is unmatched in comparison to his peers. I have been especially impressed by the characteristics listed below.

Playing Experience: An accomplished player, Bryan has represented his country Jamaica as a national team youth player. This international experience has provided Bryan with a unique position to lead and inspire players within the club.

Coaching Experience: Bryan was appointed an Olympic Development Program coach for the USYSA West Region. He was also named California Youth Soccer Association Coach of the year. The club teams he has coached have been exceptional, capturing many tournament titles and receiving national recognition. I truly admire his coaching style, sideline demeanor, and overall soccer knowledge.

Youth Development: As a former Associate Head Coach at Cal Berkeley, I consistently utilized Bryan as a resource regarding potential student-athletes, most notably Ryan Neil. Bryan has developed and delivered curriculum to his players that best prepare them for the next level.

In short, Bryan has been an excellent role model and leader for United FC. Bryan is organized, passionate, and extremely competent. Without any hesitation I believe that he will continue to be a valuable essential member of your organization.
